

RE-ELECT
KAY ★ ★ ★
WOLF
STATE REPRESENTATIVE - DISTRICT 21

Dear Neighbors:

Thank you for allowing me the opportunity to represent you as District 21 State Representative. As you know, I served for over five years as your Prairie Village Councilperson and the past three years as your State Representative.

Today, I am once again reminded what a privilege it is that we have the right to vote. I visited with four and five-year-old children about the importance and the process of voting, which ended with the children voting for their school mascot and afternoon snack. The final vote tally for the mascot was 20 to 19 - a one vote margin! It is no different in our local, state or national elections. **Every vote counts!**

Now, I ask for your vote to re-elect me as your District 21 State Representative. The next two years will be even more difficult with the loss of state revenue, the downturn in the economy, skyrocketing health care costs, adequate funding for education, keeping taxes low, and the need to protect our seniors. You need an experienced dedicated leader to represent you in Topeka.

I am that leader.

My responsibility is to serve you and your needs. **It is not about politics. It is about good sound policy.** It has been my privilege to represent you the past three years. As always, there are challenges but the reward of helping you has made me proud to be a Kansan and an American. With your continued support I will return to Topeka and fight for you and the needs of Kansas.

My door is always open to listen, learn and be of assistance. Please do not hesitate to contact me at www.kansansforkay.com or 913-649-0699.

Please exercise your right to vote. Together, we can and will make the difference!

All the best,

Representative Kay Wolf
District 21
